

Online Banking System Requirements

To use Bank of Labor’s Online Banking, you must have:

- A connection to the Internet
- 128-bit encryption
- An approved operating system and Internet browser (see table below)
- A PDF reader, such as Adobe® Reader®, if you wish to view your account statements online

Bank of Labor highly recommends the use of the latest commercially accepted browsers and operating systems. The following browsers and operating systems have been approved to meet Online Banking security and application requirements, and are currently being supported:

Operating System	Microsoft Internet Explorer®	Apple Safari®	Mozilla Firefox®	Google Chrome™
Windows 7	11.0	N/A	62.0	69.0
Windows 8.1	11.0	N/A	62.0	69.0
Windows 10	11.0, Edge	N/A	62.0	69.0
