IMPORTANT QUESTIONS TO CONSIDER:

How are assets titled?

For Insurance, annuity products, and retirement plans, who will be the named beneficiary(ies)?

Who do you wish to protect/benefit after you have passed away?

Is there anyone you wish to provide for with Special Needs?

Business planning — family members involved?

Retirement — date set, plans in place?

Children/Grandchildren educational needs/expenses?

Parents/Grandparents assistance with elder care?

Investments: are they in line with your goals and risk tolerance?

Is your life insurance adequate?

Are your liability/umbrella coverages adequate?

Emergencies — have you planned for injury, pandemic, illness?
