

BUILDING COMMUNITY

You are part of a leadership team in your community that is invested in the well-being of local families and the growth and success of area businesses.

Bank of Labor can help support those goals.

In fact, a partnership with us does more than provide critical financing for the projects that can help your community thrive. It also employs your local, highly skilled workforce. We are a union-owned and operated, full-service financial institution founded in 1924. Organizations nationwide entrust the Bank to steward Labor's capital and help catalyze funding for the expansion of training programs and community development projects like:

- Workforce Development
- Affordable & Workforce Housing
- Historic Redevelopment
- Commercial Real Estate
- Energy
- Public Facilities
- Infrastructure

We have the knowledge and resources to match the strengths of organized labor to:

1. Utilize the readiness, capacity and quality of the labor force.
2. Secure new sources of funding for affordable housing developments.
3. Collaborate to reduce risk & attract new investment in development/redevelopment that spurs growth.
4. Expand/Refurbish community facilities.
5. Finance Green Initiatives.
6. Help fund infrastructure.
