

# INVESTING IN TOMORROW'S SKILLED & TRAINED WORKFORCE

## Training Center Expansion Solutions

Is your organization prepared to keep up with the manpower demands of the market?

We can help finance the expansion or upgrade of your training center, your most powerful recruitment tool. By showcasing the strength of your apprenticeship program, you'll draw in more trainees and generate employment opportunities for the next generation of skilled labor.

As a union-owned and operated Bank, we understand the labor market and have decades of experience creating customized solutions for organizations like yours.
