***Disclaimer:**

Be advised that the referring customer may become aware that you opened an account with us.

Existing Customer- You are eligible to receive a \$100 transaction account credit bonus for every new to bank household referred. The \$100 credit will be deposited into your transaction account within 15 business days after the new checking account is funded and meets all requirements. Your transaction account must be open and in good standing up to and including the date the earned bonus is paid to receive the bonus. The \$100 checking account credit(s) are reported to the IRS as interest. *New Bank of Labor Customer - To receive the \$100 checking account credit bonus open either a Classic Checking or Classic Checking Plus account. You must deposit \$100 or more at account opening; enroll in \$500 or higher recurring acceptable direct deposit or ACH network; transact five (5) VISA® debit card purchases within 60 days of account opening. Acceptable direct deposits include Payroll, Pension, or Government Benefit. The \$100 checking account credit will be deposited into the checking account within 15 business days after account (1) meets all requirements AND (2) has been open for 60 days. This offer is available to new checking account customers only. One offer per household. Bank of Labor reserves the right to not open accounts for customers outside our market area. No minimum balance required needed to obtain bonus. The new checking account must be open and in good standing up to and including the date the earned bonus is paid to receive the bonus. This promotion ends 01/17/2023. The \$100 checking account credit is reported to the IRS as interest. The \$100 donation to a United Way charity of your choice will be made by January 30, 2023. Offer not available to bank employees or their immediate family members.
